

WOODS CREEK HOA

NEWSLETTER

Homeowners,

We want to provide you this update, a few times a year, to keep all in tune with the activities at Woods Creek. You can always reach out to the board if there is something you would like to have added to the next newsletter. Use the HOA portal for that communication and we will gladly assist.

Butterfly Garden Update

With the help of several homeowners, the garden has been started but we still have many more plants that need to be planted! If you are interested in helping, please email woodscreekbutterflygarden@gmail.com.

We look forward to this blooming each year.

FISHING IN THE POND

There has been garbage surrounding the pond; lines, hooks and wrappers. Please take your trash with you. If we have to get a garbage can in that area, we will have to pay for it and that could result in an increase in our dues.

HOA BOARD UPDATE

2 positions on the board are up for renewal. If you are interested in working with our board, please attend the August Meeting!

REMINDER that as an HOA, we strive to continue the beauty of our neighborhood. Please do your part by keeping your landscape groomed and free of debris.

Thank you to all, for your continued support of our neighborhood and the respect shown to all residents. For any HOA business needs, please submit your request thru the HOA website and allow 5 business days for resolution. 2023 HOA Meeting Dates: Aug 9, Nov 8
